Garry R. Lee, M.D.
Medical Director
Horizon Ridge Wellness Clinic

- Zerona
- Juvederm®;
- BOTOX®
- Weight Loss
- Sclerotherapy
- VIP Medicine

Garry R. Lee, M.D., is Medical Director of the Horizon Ridge Wellness Clinic, established in February 2001 as the Preeminent VIP Aesthetic & Wellness Clinic in Nevada. Dr. Lee specializes in non-surgical procedures such as Juvederm®, the cosmetic wrinkle filler, BOTOX®, sclerotherapy for spider veins, Adult VIP & Weight-Loss Medicine, and Zerona, the exciting new FDA Cleared Body-Sculpting Laser--to lose 3-9 inches--in only two weeks!

Allergan Medical Facial Aesthetics appointed him Clinical Instructor & Speaker for BOTOX® & Juvederm®; to teach Nevada Physicians these cosmetic treatments. In Calendar Year 2009, Dr. Lee's Juvederm® & BOTOX® Practice Ranked #3/180 and #9/330, respectively, in the State of Nevada--even compared to practices with several cosmetic physicians--who were established years longer. Similarly, his Latisse Eyelash Practice for the Year 2009 was Ranked #3/170 among all Clinics in the State of Nevada.

In June 2010, Dr. Lee lectured on Botox and Juvederm for Las Vegas and Henderson Physicians and Nurses for Allergan at Hanks Steakhouse at the Green Valley Ranch Resort. Allergan is currently scheduling him for hands-on BOTOX® & Juvederm®; injection training for selected physicians and nurses in 2010.

In September 2009, Dr. Lee was the Featured Physician profiled at length on TV's popular Face to Face--with Jon Ralston and Dana Gentry--about cosmetic treatment trends in Nevada.

In August 2009, Dr. Lee taught the Aesthetic Workshop for the Nevada Academy of Family Physicians Summer Continuing Medical Education (CME) Meeting for 80-90 Family Physicians at the Golden Nugget Hotel & Casino in Las Vegas. He described and demonstrated Dysport, Botox, Restylane, Juvederm, and Sclerotherapy treatments for Spider Veins.

Allergan also selected Dr. Lee to participate in the JET Research Trial in 2007, where he helped evaluate patient satisfaction with the results of Juvederm®; before it was commercially available to physicians and to the public. He was appointed to the Medicis (Restylane®) National Aesthetics Advisory Council, is the recipient of two Medicis Platinum Awards, and was designated by Medicis the Number One (#1) Restylane® Medical Practice in the State of Nevada for the Year 2006. The Horizon Ridge Wellness Clinic was also recognized by Thermage as the winner of two prestigious Pinnacle Awards, reserved only for the best Thermage Clinics in Nevada. Dr. Lee is Medical Advisor to Madame Et Monsieur, the International Electro-Body Sculpting conglomerate and was appointed Assistant Instructor in Sclerotherapy (Spider Vein Treatments) for the National Procedures Institute, the pre-eminent organization for teaching medical procedures to physicians throughout the United States.

In October 2009, Dr. Lee brought the first Zerona Body Sculpting Laser here to become the most comprehensive Weight-Less Program in the State of Nevada.

The Horizon Ridge Wellness Clinic was featured on TV's Face to Face, Contact 13 Television, for a Tops In Town Award, on Sunny 106.5 Radio, and in news articles of the Las Vegas Review Journal; the Henderson Home News; and In Business--Las Vegas. It was the first medical clinic in Las Vegas and Henderson designed according to the ancient Chinese Art of Feng Shui, and is a setting of amethyst crystal water fountains, crystal chandeliers, ancient fossils, and a sense of peacefulness and tranquility.

Services at the Horizon Ridge Wellness Clinic include: Zerona Body-Sculpting Laser; Adult VIP Medicine; Plastic, Cosmetic, and Reconstructive Surgery; Nutritional Consultations by Registered Dietitians; Podiatry; BOTOX®; Juvederm®; Sclerotherapy Spider Vein Treatments; Latisse Eyelash Growth Treatments; and My White Smile Cosmetic Teeth Brightening. Special Independent Services elsewhere include Madame Et Monsieur's Electro-Body-Sculpting, Vaughn Personal Fitness Trainers, and Thermography from the Longevity Center of Nevada.

Dr. Lee was the Acclaimed Director of the Nellis Air Force Base Anti-Tobacco Program as an Air Force Major, Medical Vice-President of the NE Las Vegas American Cancer Society, First Vice-President of the Summerlin Lion's Club, and was awarded the Life Saver Award by the American Cancer Society. Before choosing civilian life over the military, he was selected for hospital chief-of-staff by the USAF Military Personnel Command. He is a member of the American Academy of Family Practitioners, the American Society of Bariatric (Weight-Loss) Physicians, and the Clark County Medical Society. Due to the phenomenal demand for his cosmetic services and his insistence on personalized care, he limits his general practice/credentialing only to Adult VIP & Bariatric Medicine. Dr. Lee was awarded the Armed Forces Health Professions Scholarship and is a graduate of the Ohio State University College of Medicine where he was awarded Letters of Commendation in Family Practice, OB/GYN, and Preventive Medicine. At Grant Medical Center's Family Practice Residency he took Honors in Special Care Nursery, Internal Medicine, Rheumatology, Urology, ENT, and Pediatrics.

As an Air Force Captain, he was appointed by the commanding general to take over the Air Force Institute of Technology's Safety Program--which had just received a Marginal Safety Inspection Rating--and in a single year, led it to the only Outstanding Safety Inspection Rating in the entire Air Force Major Command. Born in Hawaii, he was elected Student Body Vice-President of Waipahu High School, was awarded an Air Force ROTC Scholarship, the Charles R. Hemingway Scholarship, a State of Hawaii Scholarship, the American Legion Leadership Award, and an Honors Degree from the University of Hawaii-Manoa.
